Canberra Catholic Schools Voluntary Building Fund Donation

The Canberra Catholic Schools Building Fund Donation is collected and sent to the Catholic Education Office Building and Maintenance section. This enables Catholic systemic schools in the ACT to be supported through a central body. All of our electrical, plumbing, painting, glass repairs and maintenance works are undertaken through this CE department.

The Canberra Catholic Schools Building Fund (applicable only to ACT schools) is endorsed by the Australian Taxation Office as a deductible gift recipient (DGR) therefore is fully tax deductible.

Where an older sibling attends another Archdiocesan Catholic School including St Francis Xavier, John Paul College, Merici College and St Clare's College, this amount will be collected by that school, and is not paid to St Monica's.

The Canberra Catholic Schools Building Fund is automatically added to your school fees statement and is remitted directly to the Catholic Education Office via the school.

Should you wish not to contribute to this fund you are required to advise the school at the commencement of each school year.

Please indicate your intentions regarding the payment of the voluntary Building Fund Donation and return this form to the St Monica's Primary School Office.

- I elect **not** to pay the voluntary Building Fund Donation for 2017
