I would like to extend a BIG thank you to the Year 3 teachers, Miss Carmel Rheinberger, Mrs Jess Figura, Miss Gabriel Kernill and Mrs Kirsty Godscha in for working hard to prepare the children for the reception of the Sacrament. Many thanks to Miss Carmel Rheinberger, for her ongoing support and coordination.

Thank you to the parents. Your children are a credit to you. Thank you for the many discussions about Reconciliation that occurred prior to the reception of the sacrament this week.

Sincere thanks to Fr Warrick, who takes time to greet families and makes the children feel at ease.

Congratulations Mr Patrick Ellis
This week Mr Ellis returned to his previous school in Wilcannia to launch his picture book “Ready for School, Wilcannia”. The book will become a wonderful resource to support the children of Wilcannia and empower parents to help teach their children. The book is published by the Indigenous Literacy Foundation, a Foundation that aims to make a positive difference to Australian Aboriginal and Torres Strait Island children by focusing on ways to improve their literacy levels. This is a wonderful accomplishment and achievement for Pat. Congratulations on your achievements!

Staffing News
I am very aware that parents are anxious to hear about staffing for next year. Current staffing changes -

- Mrs Stephanie Stewart has accepted a permanent teaching position at St John the Apostle Primary, Florey commencing in 2015. Steph has given so much to our school community over the past 10 years. We are going to miss her warm smile, loving care for the children and deep passion for education.
- Mrs Christine Wanjura has accepted a permanent contract with the CEO with the RE and Curriculum team to support student learning. Christine held the role of Learning Support Teacher at St Monica’s until taking a temporary role to support teachers across the Archdiocese in literacy and numeracy, for the past two years.

Semester Two Reports
With the end of the year fast approaching the teachers are busy finalising your child’s school reports. The reports will be issued on Monday 8 December. Should you be leaving prior to this date please let your child’s teacher know, as soon as possible, so that I can ensure it is signed off in time. While formal interviews will not be arranged, the teachers will be available once the reports are issued to discuss any concerns you may have. We are currently determining the best afternoon to make available for parents to request an interview if required.

Qkrt™ School Payments
St Monica’s Primary School is moving with the times! We are excited to announce that we are introducing the Qkrt™ (pronounced – Quicker) app to make your life easier. Qkrt™ is a FREE app to enable mobile payment for school-based accounts in order to save parents time. The app enables parents to use their smartphones to pay for School Fees, Excursions and other items such as Year 6 Leadership Shirts, Walkathon donations etc. This will alleviate the issue of parents having to give their children cash or credit card details to carry to school. In time we will be expanding the items available on Qkrt™ for the convenience of parents. For those without access to a smart phone, a web-based version of Qkrt™ will be available soon.

Although the app is a MasterCard initiative, it enables payment from most financial institutions and major credit cards with Safe and Secure MasterCard Technology. For more information refer to the accompanying flier with this newsletter. We are currently in the process of adding additional information to our Website under Publications.

News from the Library

St Vincent de Paul Christmas Appeal
Baskets were distributed to classrooms this week. I encourage you to be generous and donate an item of non-perishable food to the St Vincent de Paul Hamper Appeal. The hampers are distributed locally within our parish and St Vincent de Paul Conference area. Last year over 60 hampers were given to families in need! St Monica’s School was a significant contributor to the appeal. Donations will be accepted up until Friday 13 December.

Giving Mass
Our end of year Mass will be held on Wednesday 3 December at 9:30. We will be making a presentation to the St Vincent de Paul Conference at this Mass.

Billy G’s Gourmet Cookie Dough Fundraiser
All orders are to be returned to school by tomorrow, Friday 21 November 2014 marked Cookie Dough Fundraiser. The scheduled day for pick-up of orders is Tuesday 9 December 2014.

School Uniforms are Necessary by Patrick E (2D)
“Today I am arguing that school uniforms are necessary.

It helps getting ready in the morning because you don’t have to pick clothes each morning as it is all ready for you.

A uniform helps all kids to fit in. This is because nobody has to argue over whose clothes look better.

Uniforms make kids feel special. This is because we all feel like part of a team.

To sum up, school uniforms are very necessary because they make it quick to get ready in the morning, help kids fit in, and make us a part of the St Monica’s team.”

Special Literacy Treat for Year 3
Due to the enthusiasm of the students in our literature study this term the Year 3 teachers have arranged a special surprise!

On Monday 1 December, the students in Year 3 will be participating in a Harry Potter themed day. During the day the ANU Harry Potter Society will be working with the children to run a game of Quidditch. The children will be engaged in games and activities throughout the day.

The children will require a painting smock for wand making and are allowed to wear a Harry Potter themed costume for the day. Please remember to wear your joggers and to bring your school hat.

Students Leaving St Monica’s
Please advise immediately if you are moving and will not require a place at St Monica’s in 2015. We currently have no vacancies and I have received inquiries from several families wishing to enrol their child/ren next year. Written notification is required.

SMOOSH Program 2015
This is to advise that we currently have no available care places next year on Tuesdays, Wednesdays or Thursdays. We have reached our capacity. Any notes received will be added to a waiting list.
School Fees Information
We have designed a calculation sheet to assist you in setting up a Direct Debit arrangement to pay your 2015 school fees. Simply enter the number of children you will have attending St Monica's in the applicable white box and the sheet will break down the yearly cost into pay periods for you. There are simple explanations in small text boxes to the right of the sheet to help you.

The calculation sheet can be accessed via the school website, under Publications, Fee Related Information. There are simple instructions on the website regarding how to open the worksheet. To enter information into the worksheet you will be prompted to enter a password which is monica. We trust this will be a valuable tool to assist families in meeting their school fees commitments. Please contact Allison Walsh at the school office should you experience any difficulties using the worksheet.

School Magazine Sponsorship
As the year is drawing to a close we are seeking the support of local businesses to advertise in our annual School Yearbook. Our Yearbook contains photos, events and stories from our students and staff and is a wonderful pictorial representation of the year. The St Monica’s Yearbook is distributed to over 370 families within the school community, in the Belconnen Area, at the end of each school year.

To help subsidise printing costs we are seeking sponsorship from businesses in the form of advertising. If you or anyone you know would like to advertise in our 2014 Yearbook please email your advertisement (PDF) or phone the school if you require more information.

Advertising in our school yearbook (All prices are GST Inclusive).
Details are as follows:
Outside Back Cover A4 $ 300.00
Inside Front Cover A4 $ 250.00
Inside Back Cover A4 $ 250.00
Full Page A4 $ 150.00
Half Page A4 $ 90.00
Quarter Page $ 60.00

The 2014 yearbook will be sent out the week beginning 15 December.
Deadline for inclusion is Friday 28 November 2014.

All advertisements need to be in electronic form - PDF please. Another option is through financial sponsorship where your business name will be listed with other businesses that have provided financial support.

If you require further information please do not hesitate in contacting Allison Walsh at allison.walsh@cg.catholic.edu.au.

Year 5 Committee meeting for Year 6 Graduation
Preparations are well underway for the Year 6 graduation. It is a tradition at St Monica’s that the Year 5 parents organise and prepare the supper. If you are a Year 5 parent and you would like to help, the committee is meeting this Friday at 2:30pm in the staff room. We would love to see you there.

Nominations for Community Council Executive Membership - due Thursday 27 November
Earlier this week a call for nominations for the Community Council was sent to families via our School App and is also available on our website.

The St Monica’s School Community Council is an important part of the partnership between home and school. Due to constitutional requirements council members, who have completed a two year term of office must be renominated should they wish to stand again.

This year Jayne Murray, Evan Thomas, Megan Scott and Louise Dykes complete their first 2 year term of office. While they are all happy to be renominated by members of the community they acknowledge that there may be other parents who may be interested. In the event we receive more than the number of places available we must conduct an election. I encourage families to read the information to be sent home on Monday and consider if this is something that may interest you.

KidsMatter - Mental health and learning

Good mental health and wellbeing is integral to academic learning. Mentally healthy students arrive at school ready to learn and are more likely to achieve academic success. They are more motivated learners, have fewer behavioural problems, and show greater commitment to their schoolwork. They are also more likely to experience success after primary school, with a greater likelihood of graduating and better prospects for constructive employment. Conversely, poor mental health reduces students’ ability to learn and can lead to school failure and drop out. Academic failure has lasting consequences, as the failure to learn in school limits a person’s chance to succeed in the future.

Schools are more likely to achieve goals related to learning and academic success when students’ mental health and wellbeing is prioritised and addressed with the same enthusiasm as numeracy or literacy. Schools that promote mental health are also more likely to engage more productively with their community members, reduce student behavioural issues and achieve higher levels of staff satisfaction.

Please visit the KidsMatter website for more information and helpful hints.

Landscaping Plans for 2015
With our car park now complete I am hoping to call on the help of parents to assist with landscaping ideas and suggestions for the gardens at the front of the school and around our new playground. Ideas most welcome.

With our janitor currently on sick leave we have several areas across the front of the school and around the hall that need weeding etc. If there are any parents happy to spare an hour or two please let me know and I can assign an area requiring TLC.
Parents' & Teachers' Pledge for Supporting Children's Self Esteem
- I will make an effort to understand my children, to listen patiently to what they say, and to answer their questions wisely.
- I will be ever conscious that they are not their actions, and as they know better they will do better.
- I will refrain from interrupting or contradicting them – to be as kind and courteous to them as I would have them be to me – to treat them as I would a treasured friend.
- I will never laugh at their mistakes, or resort to shame or ridicule should they displease me.
- I will never punish them for my selfish satisfaction or to show my superior power, and may I never tempt them to lie, cheat or steal.
- I will be consistent, wise and just; kind and loving in all situations.
- I will be ever mindful that my children are children and not expect them to act and react like adults.
- I will not rob them of the opportunity to do what they can for themselves, to make their own decisions and suffer their own mistakes.
- I will never judge their worth by their actions or by comparisons with others.
- I will have the strength to say no when that is for their higher good.
- I will teach them sound values, responsibility and self-discipline, yet keep them free from self-accusation, shame, guilt and remorse.
- I will teach them to be self-reliant and immune to the negative opinions and attitudes of others.
- I will discipline them through love and unwavering firmness rather than through reward and punishment.
- I will teach them to recognise and accept the reality of all situations – to appreciate their own unique being, their innate worth and importance in the scheme of things.
- I will allow them to be themselves and encourage them to trust their own intuitive guidance.
- I will demonstrate the qualities of loving as an example for them to follow.
- I will show my appreciation and persistently support the building of their self-esteem and positive self-image.

Don’t forget to support your own positive self-esteem by forgiving yourself for any mistakes you make along the way!

God Bless

Looking for a Fundraising Coordinator
The Community Council are seeking a Fundraising Coordinator to plan and assist with our fundraising ventures in 2015. The Fete, Trivia Night and the Walkathon have their own coordinators so don't think this is an onerous role! The Fundraising Coordinator works with a small committee of volunteers and prepares a Fundraising Plan for the school year to ensure our fundraising ventures are evenly spaced out. The Fundraising Coordinator liaises with the Coordinators of the Mothers' and Fathers' Day Stalls and assists with rallying volunteers and organising trestle tables and floats if necessary. The Fundraising Coordinator generally ensures that our fundraising ventures run smoothly. Our current Fundraising Coordinator is happy to do a hand-over with our new volunteer and will pass over a folder filled with ideas for fundraisers and can provide templates of documents as well.

RE NEWS
Sacrament of Reconciliation
Congratulations to all students who have made their First Reconciliation this week. It has been wonderful to witness the BIG smiles as they emerged from the Church! THANK YOU.

Talia B (5/6C) has a small part playing a young girl called Sarah in a soon to be released film. What a wonderful opportunity. _Locks of Love_ is an anthology of eleven short films, each exploring ideas of love, by eleven Canberra based filmmakers. The dynamics of love play out in their many facets and forms - the love of a child, love for a parent, and of course, romantic love - charting a course through comedy, drama and even the supernatural. Centred around Glebe Park, over 300 locals were involved in the making of the film and CIIFF is delighted to present its first public screening as part of the festival.

The film stars some familiar faces such as Lorraine Bailey (The Sullivan’s), Aaron Jeffries (McClouds Daughters) and Les Hill (Rescue Special Ops).

Flexi Schools online ordering system is available for placing lunch orders. _New to Flexi Schools – If your child has a
St Monica’s goes cashless!

St Monica’s Primary School is moving with the times! We are excited to announce that we are introducing the Qkr™ (pronounced — Quicker) app to make your life easier. Launched recently at Mentone Primary School in Victoria by Education Minister Martin Dixon, this app enables mobile payment for school-based accounts. Qkr™ has been trialed in seven schools in Victoria with feedback from both parents and administration staff being overwhelmingly positive. The app offers mobile payment technology and aims to save parents time.

The Qkr™ app lets parents use their smartphones to make payments for School Fees, Excursions and other items such as Year 6 Leadership Shirts, Walkathon donations etc. This alleviates the issue of parents having to give their children cash or credit card details to carry to school. In time we will be expanding the items available on Qkr™ for the convenience of parents. We are looking to include the Uniform Shop and possibly the Canteen. For those without access to a smartphone, a web-based version of Qkr™ will be available early next year.

Although the app is a MasterCard initiative, it enables payment from most financial institutions and major credit cards with Safe and Secure MasterCard Technology.

Qkr™ is a FREE app. After registering your email address you will need to select our school and follow the prompts. For those outside a 4km radius from St Monica’s Primary School please press the search icon (blue magnifying glass) and enter STMONICAS.

The Qkr™ app is now live. The office will receive a generated report detailing your school payments.

More detailed information about Qkr™ is on our website. Should you have any questions regarding the use of Qkr™ please contact Allison Walsh in the school office. We hope you enjoy this new flexibility in managing your school payments. Getting started sheets and quick tips are available on the school website.
