MEDIA RELEASE

During the school year various media organisations contact schools to report on special happenings or events eg. Canberra Times, Catholic Education Media Division, The Catholic Voice, Television stations etc. As part of the story coverage they may wish to interview and/or photograph our students working at school or participating in an activity while on a school excursion. In giving permission you are authorising the photos to appear on any form of electronic media – television, the internet, journals, radio etc.

Before we can permit anyone to speak with or photograph your child, we require your consent. To avoid continually sending out consent forms, the note below will be kept on file.

Should you wish in the future to change your elected arrangement, you will need to contact the school immediately.

☐ I AM happy for my child ……………………………………………………………….to take part in promotional photo shoots or interviews. By giving consent I am aware that my child’s photo may appear on any form of electronic media, including the internet. I am also happy for my child’s full name to be used if required.

☐ I AM NOT happy for my child ……………………………………………………………….to take part in promotional photo shoots or interviews that may occur.

I further understand that I must notify the school should I wish to change the nominated consent arrangements.
